Western BOP Junior Competition structure 2023

WaiBOP Football is committed to providing all junior and youth participants with a positive and enjoyable football experience that will inspire life-long involvement in the game. In recent years changes have been made to align our junior football with the Sport NZ ‘Balance is Better’ philosophy, which is endorsed by NZ Football. Our goal is to offer the best possible junior framework that not only meets the needs of all junior players, but also enables clubs, coaches, and parents, to provide a more positive football experience, and at the appropriate challenge point.

In 2022 WaiBOP Football made the move towards a non-graded junior competition structure and at the end of 2022 engaged in clubs to provide feedback. Please find below the Western BOP Junior competition structure for 2023.

Team formation

The table below shows recommendations for clubs to form teams based on the number of teams a club has in each age group. If clubs have more than one team in the same tier, they should look to form teams of equal ability, rather than have an ‘A’ team and a ‘B’ team.

Teams per Grade	2 teams	3 teams	4 teams	5 teams	6 teams
Recommended (Tier 1/Tier 2)	1/1 2/0 0/2	2/1 3/0 0/3	2/2 3/1	2/3 3/2	3/3 4/2

BAYWIDE YOUTH LEAGUES REGULATIONS APPENDIX 2023

1. ENTRIES FOR THE COMPETITION

1.1. This is the appendix to the competition regulations (the regulations) that govern aspects of play and procedure in all Baywide Youth, Baywide Senior Girls and Baywide Junior Girls Leagues, which are football competitions administered by the Waikato Bay of Plenty Football Federation. The Leagues involve male and female youth teams from clubs and affiliated schools in WaiBOP Football Federation.

2. COMPETITION FORMAT

2.1 Teams must have a maximum of eleven (11) eligible players on the field at any time and a minimum of seven (7) eligible players. Should any team fail to field seven (7) eligible players, whether through shortage or sending-off, they will forfeit the match. Baywide Junior Girls teams must have a maximum of nine (9) eligible players on the field at any time and a minimum of six (6) eligible players. Should any team fail to field six (6) eligible players, whether through shortage or sending-off, they will forfeit the match.

2.2 Duration of league matches:

2.2.1 Baywide Youth Senior matches will have two halves. Each half will be 40 minutes and there will be a 5-minute half time break.

2.2.2 Baywide Junior Girls matches will have two halves. Each half will be 35 minutes and there will be a 5-minute half time break.

2.3 The home team will provide a size five (5) FIFA-approved match ball. Shin Guards must be worn at all times on the field of play and must not be exposed.

3. PLAYER ELIGIBILITY

3.1 In the event of any protest or enquiry into player eligibility the Team Player List and Team Card will be checked against the database. Teams found to have played an ineligible player, will lose all points gained in all fixtures in which the ineligible player appeared, and may incur a fine to the Club/School in accordance with the schedule of fees and costs.

3.2 All players must be registered and marked active in the current season with the participating Club/School and Waikato Bay of Plenty Football Federation. It is the club's/school's responsibility to ensure the player is correctly registered with their team within the National Registration database system (Comet) and with Waikato Bay of Plenty Football Federation in the current season prior to taking the field in any match.

3.3 No further player registrations can be made after the Thursday in the first week of Term 3 2023.

3.4 Eligible players must be a maximum age of 19 years old on the 31st of December 2023 for Baywide Senior Leagues; and a maximum age of 16 years old on the 31st of December 2023 for the Baywide Junior Girls League.

3.5 Players can only register for one Team. If there are 2 teams from the same club/school in the same league they can only play for the team for which they have registered. Players from a lower division/age group can play up, players from a higher division/age group

cannot play down unless a one-time player to new team and dispensation has been approved in writing, via email by the Federation prior to the player playing in the match.

- 3.6 If a player is playing for a School team, they may only play for the School they are attending, unless written permission has been granted by the Principal of both schools.

4. START LISTS AND SUBSTITUTES BENCHES

- 4.1 Up to five (5) substitutes may be named on the team card, with unlimited interchange of these players at any time in the match provided that:
- the player leaves the field completely before the substitute goes on
 - substitutions are made during a break in play
 - Players always enter at the half-way line and leave at the nearest boundary.
 -

4.2. Team Player Lists

4.2.1.Clubs/Schools must complete their online database of players prior to the commencement of competition. The Player List must include the full name and date of birth for each player.

4.2.2.A maximum of twenty (20) players may be recorded on the Team Player List at any one time.

4.2.3.Where Clubs/Schools want to add a player to a team after the season has started, details must be entered on the online database prior to the start time of the first competition match that the player is to play for the Club/School.

4.2.4.A completed Federation team card must be filled out correctly by each team in a League fixture, listing the eleven starting players and up to five substitutes. Team cards should be completed in the National Registration System (Comet) and printed out.

- 4.3 If there is an appointed referee, completed team cards should be handed to the referee prior to the commencement of the game. The referee will sign both cards and hand them back to the respective teams after the game. **Each team will sign the cards and the Clubs/Schools will be responsible to keep their team cards for the duration of the season.** The Federation may request the original cards to verify any issues.

- 4.4 If there is no appointed referee, the team cards are to be exchanged with the opposition at the end of the game, to be signed by both teams and the referee who completed the game.

- 4.5 Each team is responsible for its own team card.

- 4.6 Clubs/Schools failing to comply may be liable to a fine as set out in the schedule of service costs.

5. REFEREES

5.1.Where possible, the Federation will appoint a qualified Referee to Premier division games, and lower division games if possible. Where a referee is appointed to a game, both the Home and Away team will be invoiced and share the cost of the referee.

5.2.If there is no appointed official, the home team will provide a Community Referee (CR) with current accreditation to control the whole fixture. If a CR is provided, he or she shall

provide his/her name and membership number to the visiting coach/manager. If the home team does not have a CR, and the visiting team does, the visiting CR will control the fixture. If none of the above is available, the home team will provide a referee for the first half and the visiting team will provide one for the second. Alternatively, teams may agree at the start of the game that one referee will officiate the whole game, or at the start of the second half the referee from the first half may continue to referee to the end of the game. Once agreed, the referee will not be changed during a half other than for injury or on the mutual agreement of both team coaches. The referee controlling any part of the fixture has the same rights and obligations as an appointed official.

5.3. The prime purpose of refereeing in these grades is to add to the enjoyment of the players through the application of the Laws of the Game, these regulations and common sense.

6. GOALS, MARKINGS AND SET UP

6.1. Matches in all grades covered by the regulations will be played on the optimum pitch size for the age group, as per the NZ Football Youth framework. The approved goals and marked grounds with corner flags must be supplied by the home team and must be in place before the scheduled kick-off time. Nets are compulsory for all league matches.

7. DEFAULTS

7.1 The Club/School Secretary must notify defaults in writing via email to the Federation and to the opposition no later than 12.00 noon on the Friday preceding the fixture so any referee allocation can be changed. Clubs/Schools may be fined in accordance with the schedule of fees and costs for defaults not notified before this deadline and may be further charged for referee fees. Any team defaulting two games consecutively, or three in a season, may be expelled from the competition.

8. COACHING

8.1 Coaches may only coach from the side-line, not from behind the goal line. If a coach takes the field as a referee, he/she is not allowed to coach on the field of play.

9. RESULTS

9.1 All results must be submitted by individual Clubs via the National Registration database system online results system by 10.00am on the Monday following the weekend of the match or if midweek by 10.00am on the day following the match. Any Club/School, which fails to submit the results by the prescribed time may incur a fine to the Club/School in accordance with the schedule of fees and costs.

10. PLAYING DAYS

10.1 Baywide Youth, Baywide Senior Girls and Baywide Junior Girls leagues will be played on Saturdays. A rescheduled match may be played on a different day with the agreement of both teams, and the Federation. The Baywide Premier Girls league will be played on Wednesday afternoons.

11. MISCONDUCTS

11.1 Misconduct reports and Incident Reports must be sent to and dealt with by an offending teams' Federation as per New Zealand Football Regulations, except for reports of Violent Conduct (including spitting) and Exceptional Misconduct, which must be dealt with by a Judicial Hearing organised by the relevant Federation.

11.2 Reported verbal, written or electronic abusive comments against or criticism of match officials, made by a club, team official or player after the game while at the grounds or during after match speeches, may incur an automatic fine of \$250 to the offending club. Any further incident during the season involving the same club may result in a monetary fine of \$500 each instance.

12. PROTESTS AND DISPUTES

12.1 Protests and Disputes must be lodged in accordance with Federation Rules and Regulations to the clubs Federation.

12.2 Any protest must be made by the Club Secretary or another authorised officer of the Club, within 96 hours of the alleged breach. The protest must be in writing to the Competition Manager. All protests must be specific and in detail, setting out the full circumstances and including all relevant points. The Competition Manager reserves the right to disregard any non-specific or non-detailed protest.
